Business Manager

Greetings Parents!

On behalf of both Mr. Hoelsing and Mr. Higgins, we would like to welcome you and your students back to the 2019-20 school year! There have been some exciting changes happening here in the building over the summer, since our building is being renovated and a new building is being put into place. Over the course of the year, we may have several changes in entrances and exits, and we will post those to you as the year progresses. Please be patient with us, as we are living in construction during this time. We know that it is an inconvenience, but it is also very exciting to watch the progress being done!

If you happen to see any of our custodians, please take a moment to thank them for all the work that they have done over the summer, they have worked long hours due to construction, and deserve a thank you for a job well done!

Instead of a large packet, we are asking that you go online to complete your student information. The website is: www.wausaschools.org/office. We ask that you fill out the following:

For Students in Elementary (K-6): All forms specified on the website under “Forms”. It is noted that ALL students fill out and return. We do need ALL forms returned this year.

For Students in Jr/Sr High School (7-12) All forms specified on the website under “Forms” and forms listed under “7-12th Grade Students Only”. This does include Booster Club forms. We do need ALL forms returned this year.

A few dates to remember! Our elementary open house is on Wednesday, August 14th, 6:30 PM, followed by the laptop paperwork and fees meeting at 7:00 PM in the high school gym. If you have students who are in grades 7-12, please make sure to bring 50.00 per student for the year. The students will be provided their laptop during school on Thursday and Friday, with junior high provided a laptop the following Monday. Preschool parents, your scheduled home visits will be on Thursday and Friday the 15th and 16th, with preschool starting the 21st. Mrs. Johnson will be contacting you on times if she has not done so already.

We are excited to have your students back to school! Remember education is a collaboration between the parent, the teacher, and most importantly, the student! We are only strong when we work together! Let's make this school year a great one for your student(s)! It's a Great Day to be a Viking!

Yours in Education,

Mr. Brad Hoelsing
Superintendent/9-12 Principal

Mr. Rich Higgins
Interim PK-8 Principal
