### **Physical Education Grades 5 thru 8**

All students must wear tennis shoes(shoes that are worn for physical activity)...no bare feet, no socks only, no flip flops, no sandals or dress shoes, and no boots. We ask that each child keep a pair of clean (does not have to be new) pair of tennis shoes in their locker specifically for P.E. If a child is not wearing tennis shoes, they will not be able to participate in activities for that day. This policy is for the SAFETY of your child. Thank you for your support. If you have questions, please contact us.
