

NOTES ABOUT WAUSA ELEMENTARY

Breakfast is served daily at 7:30 AM-8:00 AM.

Those arriving before 8:00 will unpack bookbags and go to the lunchroom for breakfast. Students will be dismissed back to the classrooms and study time begins at 8:00 AM. For security reasons, doors are locked during the day. If you need to contact your child, please call or stop by the office. Please encourage your child to be responsible for getting into the classroom and unpacking bookbags. Parents can drop them off at the main entrance.

Kindergarten will have at least one “special” every day. This gives students a chance to have Music, P.E., Guidance, Library, and Technology.

Kindergarten lunch will be about 10:55 AM.

Parents are welcome to join us any day that works into your schedule. Please just let the school know so we can add you to the lunch count. It is a great time when you come to eat lunch with your child!

Snack each day will be a carton of milk. Your child will get to choose from white, chocolate, or strawberry. Your child's account will be charged for the amount.

Lower elementary students will have two recesses

daily. Recess will be outdoors unless the temperature or windchill is too dangerous, or it is raining. Your child will need to have boots when it rains or snows. It is also recommended to have closed toe shoes because our playground is mostly gravel.

First semester we will have a rest period. We will call this Rest and Read, students rest and have the opportunity to look at books quietly for about 15 minutes.
